## PAKISTAN HARVEST REPORT

*Therefore, pray the Lord of the harvest to send out laborers into His harvest.  
Matthew 9:38*

### "Open Doors in Pakistan"

I have visited Pakistan about four times. The official name of the country is the Islamic Republic of Pakistan. Unfortunately, there are disturbing stories about the persecution of Christians, which is true. However, God is doing amazing things in Pakistan, a country with over 200 million precious souls. It's truly a harvest time in this amazing country. God has opened a mighty door for me and my dear friend Anwar Fazal to reach hundreds of thousands of people.

Anwar is an amazing man that God has raised in Pakistan for such a time as this. He has started two satellite TV stations, Isaac TV and Eternal Light TV, which have a combined reach of over 100 million potential viewers. God has given him great favor, and he is holding monthly crusades all over Pakistan, drawing crowds of over 100,000 people, sometimes even up to 300,000. Since last year, I have preached several times in these mass prayer festivals, as they call them.

### "1 Billion Souls"

Through his TV networks, social media, cable TV, and other modern media, he promotes these events. Most churches in Pakistan are small, but when Christians hear of an event, they invite their fellow Muslim citizens to come with them to this prayer festival. Unlike in Western Europe, Muslims appreciate it when people pray for them. Therefore, we hire hundreds of buses to bring these people to the festival, where many hear the Gospel for the first time, witness miracles, and give their lives to Christ. On the way back home, the Christians assist these new believers to begin their walk with the Lord. It's truly amazing!

I am privileged to preach in these festivals and see almost 100,000 people come to Christ every time. And this number does not even include the 100 million potential TV viewers who hear the Gospel at home. It's like a dream come true. Click on the picture to see the promotional material.

### "Everything Has a Price"

Organizing events like these is expensive, but not nearly as expensive as in the West. We invest between €50,000 and €100,000 per event, and we want to continue doing this as long as the doors remain open. We truly want to seize this opportunity to break through this hard-core stronghold with the best news in the universe, so that millions of precious Pakistanis will receive salvation in Christ. Please help us gather this end-time harvest until we hear the trumpet blow. Become one of our partners by sponsoring these soul-winning events. Thank you!
